
PERSONAL DATA PROTECTION NOTICE

1. Introduction

The Personal Data Protection Act 2012 (No. 26 of 2012) ("the Act") establishes a general data protection law in Singapore to regulate the processing of personal data in commercial transactions, applies to Tyco Fire, Security & Services Pte. Ltd. (BRN: 196900044N) and ADT Security Services (BRN: 52899384D) (hereinafter referred to as "our", "us" or "we") as a data user. During your course of dealing with us, we will collect and process your personal data for purposes, including, to communicate with you, provide products and/or services to you, respond to your enquiries or complaints, provide you with information and/or updates on products, services and/or promotions offered by us and selected third parties and other purposes required to operate and maintain our business as set out in this Notice.

2. Personal Data

This Notice applies to any individual, co-operative, society, partnership, company and any entity (hereinafter referred to as "you") whose personal data is collected or held by us. If you have provided to us any personal data of other individuals, including your directors, officers and/or employees (hereinafter referred to as "data subjects"), you (i) represent and warrant that you are authorised to provide their personal data to us and you have obtained their consent to the processing (including disclosure and transfer) of their personal data in accordance with this Notice, (ii) will give us a proof of the consent when requested by us, and (iii) shall give a copy of this Notice to the data subjects. References to "you" in this Notice shall include all the data subjects (if any). We will only process your personal data in accordance with the Act, the applicable regulations, guidelines, orders made under the Act and any statutory amendments made of the Act from time to time. If you do not agree with terms in this Notice, we may not be able to provide/continue our products and/or services to you.

3. Collection and Processing of Personal Data

Your personal data may be collected from you during your course of dealings with us in any way or manner including pursuant to any transactions and/or communications made from/with us. We may also collect your personal data from a variety of sources, including without limitation, at any events, seminars, road shows, customer satisfaction surveys organised and/or sponsored by us, as well as from publicly available sources. The personal data as provided/furnished by you to us or collected by us from you or through such other sources as may be necessary for the fulfilment of the purposes at the time it was sought or collected, may be processed for the following purposes (collectively referred to as the "Purposes"):
